## People Who Write

on typewriters marvel  
that busy business men  
still cling to the pen pro-  
cess. The business man  
using a typewriter would  
not voluntarily return to  
the old method, because  
he can turn off more  
work, of a better quality,  
and with less effort on  
his machine.

The Man Who Never  
Used a Typewriter

believes the task of learn-  
ing to write a difficult  
and hopeless one. Try.  
Others have learned; you  
can. Your first attempt  
will probably reveal the  
fact that you do faster  
work with the pen.  
That's quite natural;  
you are just learning.  
Your next trial will sur-  
prise you. Your fingers  
go to the right keys in-  
stinctively. It becomes  
easier and you will then  
begin to realize the use-  
fulness and benefit of a  
typewriter.

CHOICE OF A TYPEWRITER

will either make or mar  
your writing happiness.  
For the business man  
desiring a machine, that  
combines speed, durabil-  
ity, does perfect work,  
and lastly, has the easiest  
keyboard to learn, buy the

## SEQUAH

WHEREAS, MR. L. BEICKE of 54 Mer-  
chant Street, and well-known in  
Honolulu, did complain, before a  
large audience on Monday night  
last in the old Armory, on the cor-  
ner of Beretania and Punchbowl  
Streets, that Rheumatism had  
been torturing him for the past  
30 years, Mr. Beicke stated that  
he had tried everything he knew  
of to obtain relief but all ended in  
failure, SEQUAH upon being ap-  
plied to, immediately suggested  
that the Rheumatism had been in  
possession quite long enough, and  
proceeded to give it notice to quit  
by applying the SEQUAH OIL to  
the parts afflicted and in the pre-  
sence of a number of gentlemen  
from the audience relieved the  
sufferer from his torture; and,

WHEREAS, the said Mr. Beicke, pre-  
vious to the treatment, could not  
walk without the aid of a stout  
stick, is now to be seen about town  
as lively as a kitten, feeling as  
pleased as a dog with two tails.  
Others besides the above have re-  
ceived the same wonderful relief  
—and SEQUAH's fame is spreading  
far and near.

Cripples with Rheumatism are  
now pouring into the old Armory  
every evening, where SEQUAH lectures  
at 7:30. All invited. Seats provided.  
National Band in attendance. Ad-  
mission free.

SEQUAH attends at the old  
Armory each day at 3 o'clock for

## MEETING OF COUNCILS.

Pardon of V. V. Ashford—Dismissal  
of Disloyal Employees.

There was a meeting of the Exe-  
cutive and Advisory Councils yester-  
day afternoon too late for the Bu-  
letin press.

Minister Hatch submitted a unani-  
mous recommendation from the  
Executive Council for the pardon  
of V. V. Ashford on condition  
that he leave the country never to  
return. In answer to Mr. Emma-  
luth it was stated that Mr. Ashford's  
fine had not been paid.

Dr. Wood stated that the prisoner  
had an affection of the spine which  
would result fatally if he did not go  
to another climate for treatment.

Upon a motion by Mr. Tenney,  
seconded by Mr. Eas, the Councils  
unanimously approved of the par-  
don.

Minister Hatch next submitted a  
report of the Executive Council on  
the matter of the loyalty of Govern-  
ment employees. It laid down  
loyalty to the Republic as an essen-  
tial qualification of holding office.  
Yet the Executive could not adopt  
the test prescribed by the petition-  
ers, namely, service in the military,  
police or citizens' guard prior to  
January 6, 1895. Some had applied  
for membership in military organi-  
zations and been refused. Others  
had official duties that would pre-  
vent their serving elsewhere than at  
their regular posts of duty in case of  
war. Besides, the citizens' guard  
was started as a secret organization.  
Some employees were members of  
the Hawaiian Republican Club,  
which had placed itself on record in  
favor of the Republic and against  
restoration of the monarchy, and  
this organization made a general  
rally to the help of the Government  
immediately after the opening of  
hostilities.

Appended to the report was a  
detailed statement of results of in-  
vestigations of the cases of suspected  
or accused employees. Three had  
been discharged from the Health  
bureau, three from the Tax office,  
one from the Survey bureau and one  
from the Interior department office.  
Morris Keohokalele would be dis-  
charged from the Interior office, his  
reason for not joining any organiza-  
tion being that he had always avoid-  
ed politics. Chief clerk Hassinger  
had guarded Pearl Harbor penin-  
sula during the trouble and would  
stay.

Chief Justice Judd had replied to  
Minister Hatch's note, inquiring  
about the loyalty of employees of  
the Judiciary Department. His re-  
ply was to the effect that he was  
satisfied with the loyalty of all the  
employees, and, as representing the  
appointing authority in his depart-  
ment, he did not acknowledge the  
right of the Executive to interrogate  
him upon the matter.

There was a discussion over the  
acceptance of the report forthwith  
or delaying it for further considera-  
tion. The report was laid on the  
table till next meeting. In the  
course of the discussion Mr. Emma-  
luth spoke of the "rottenness of the  
Interior Department," and before  
the close of the meeting Minister  
King demanded an explanation of  
the expression. Mr. Emmaluth in-  
reply apologized to the Minister for  
the insulting language.

Minister King read a report of the  
Fire Commissioners on the petition  
of China Engine Co. against the  
decision to disband it. The com-  
pany had helped to put out three  
fires out of eighteen. The petition  
of the company was sent to the  
Commissioners without recommend-  
ation.

Dr. Wood introduced a petition  
from the physicians and druggists  
asking for a change in the alcohol  
law, the same as had been tabled  
after a long controversy under the  
Provisional Government. It was re-  
ferred to the Judiciary Committee.  
The Councils adjourned at 5:15.

Persons who are subject to attacks  
of bilious colic will be pleased to  
know that prompt relief may be had  
by taking Chamberlain's Colic,  
Cholera and Diarrhoea Remedy. It  
acts quickly and can always be de-  
pended upon. In many cases the  
attack may be prevented by taking  
this remedy as soon as the first indi-  
cation of the disease appears. 25
